Re:

ENDURANCE NATIONS CUP 2009

CIRCUIT CEIO 2009 / ITALIAN CEIO - FEI CEIO*160 KM – FEI CEIOYJ** 120 KM**

ROMAN THEATRE RACE - FEI CEI*120 KM – FEI CEI* 90 KM**

Gubbio, Italy - 4th July 2009

It is my pleasure to inform, on behalf of the Gubbio Endurance Organising Committee, the Equestrian Federations, Endurance riders and Technical Committees that the ITALIAN CEIO*** 160 Km (Seniors Nations Cup 2009) and the ITALIAN CEIOYJ** 120 Km (Junior & Young Riders Nations Cup) will take place this year in Gubbio (ITA) on the 4th July.

The CEIO Circuit is acquiring an ever-growing importance for the world-wide development of the Endurance discipline and in this view, we take the liberty to urge your participation to this event of Gubbio which, for its continuity, has already become a traditional date within the Endurance calendar.

The events of the CEIO Circuit (Seniors Nations Cup 2009 - Junior & Young Riders Nations Cup 2009) are open to all Countries and have both individual and team classifications. It is thus possible for a Country to be represented by just a single rider or by a complete national team (three/four riders selected by the Technical Committee plus an unlimited number of individual riders).

Alongside the CEIO*** and the CEIOYJ**, also the "Roman Theatre Race" will take place a 120 km FEI CEI*** and a 90 km FEI CEI* event which are open to all riders.

We would like to emphasise that this event is located in the town of Gubbio, one of the most beautiful mediaeval towns in the world. The Vet Gates and the Endurance Village are located within the archaeological site of the Roman Theatre, while the course makes its way for 160 kms through the enchanting countryside surrounding the ancient capital of the Umbrian People, linking our Sport to the natural and human environment.

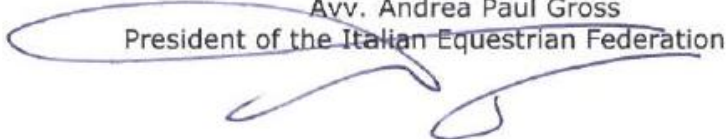

The schedule of the event, as soon as it is approved by the FEI, will be available on: www.gubbioendurance.it, www.faulaarabs.com and www.fise.it while here attached you may find the logo of Gubbio Endurance. For any information about the event please contact directly the Organising Committee:

Dr Fausto Fiorucci
GUBBIO ENDURANCE
